Discussion Questions

1. What do you think Jesus meant when he described believers as "the salt of the earth"? How does this metaphor apply to our lives today?
2. In what ways can we be "the light of the world" as Jesus described? How can our actions and attitudes shine brightly in our communities?
3. Salt is known for its preserving and flavoring qualities. How can we, as followers of Jesus, preserve goodness and bring flavor to the world around us?
4. Discuss some practical ways we can fulfill the roles of salt and light in our daily lives, both individually and as a group or community.
5. Sometimes, salt loses its saltiness or light is hidden under a bushel. What are some obstacles that might prevent us from being effective salt and light? How can we overcome these obstacles?

Action Step

Create a daily challenge where you actively seek out opportunities to share words of encouragement or kindness with at least three different people each day. Use these interactions as opportunities to share a brief message about God's love and how it has impacted your life.
